The Obesity Action Coalition is a newly-formed nonprofit organization dedicated to serving and advocating on behalf of those affected by obesity. The OAC strives to increase education on obesity, improve access to medical treatment, advocate for safe and effective treatments, eliminate the negative stigma associated with obesity and empower patients to take action.

To raise your voice and learn more about the Obesity Action Coalition, please contact the National Office at (800) 717-3117 or visit www.obesityaction.org.
