

MEDICARE PATIENTS: ASK ME ABOUT BRIDGE

The Medicare GLP-1 Bridge program may help eligible Medicare Part D beneficiaries access certain GLP-1 medications for obesity care at a \$50 monthly copay.

Visit OAC's Bridge Resource Hub to learn more:

Quick Facts:

A temporary program running from July 1, 2026, through Dec. 31, 2027.
For eligible Medicare Part D and Medicare Advantage patients.
May lower copays for certain GLP-1 medications.

The Obesity Action Coalition (OAC) offers free resources to help you learn more and prepare for the conversation.
